For the Attention of Annual Subscribers

A considerable increase to the Hospital's Income will be effected if Subscribers complete the attached Deed of Covenant, undertaking to continue their Subscriptions for a period of seven years.

The completion of this Agreement will enable the Hospital to recover Income Tax Paid by Subscribers in respect of their Subscriptions.

No further cost will fall upon Subscribers and the Agreement is terminable by death, so that a Subscriber's estate would not be liable for subsequent payments.

The following table shews the benefit which will accrue to the Hospital by this method, with the rate of Income Tax at 9/- in the £.

It was Resolved unanimously that Lady Inglefield be re-elected President, with the sincere thanks of the Governors for her continued interest in the work of the Infirmary.

The number of treatments given to In-patients in Special Departments was as follows:—X-Ray Department:—Deep Therapy, 563, Superficial Therapy, 25, Radiographs, 3384, Screened, 407, Artificial Sunlight, 266, Infra Red and Massage, 2120; Electrocardiograph, 190, Venous Occlusion, 14, Diathermy, 278; Orthopaedic Department:—Massage, Electrical Exercises, etc., 9359; Fracture Clinic:—802. Total, 17408.

In the Pathological Department, 31610 examinations were made, as against 31164 in the previous year.

The number of Anaesthetics administered for operations during the year was 9361 as against 10452 last year.

The number of Military cases treated was:—In-patients, 1862; Out-patients, 3595. Total, 5457.

The transfer of patients from the Infirmary to the Wards at Babington House Emergency Hospital, Belper, in accordance with the arrangements made with the Ministry of Health, has proved of considerable benefit, 500 cases having been dealt with during the year.

Owing to the shortage of nurses, however, it was found necessary for the staff to be withdrawn from Belper for nursing at the Infirmary, and the transfer arrangements terminated on 31st December.

Consequent upon the cessation of hostilities, the Ministry of Health agreed, as from 30th September, to the number of beds reserved for the Emergency Hospital Service being reduced from 250 to 175. During the year 16 Convoys of 1141 Service patients were received, including 2 Nursing Sisters, 92 Officers and 1047 other ranks; of these, 230 were released Prisoners of War.

The Board has received with great pleasure letters of appreciation from the Minister of Health for the valuable services which the Infirmary has been privileged to give during the period of the War. Resolutions of thanks passed by both Houses of Parliament to the Boards of Management, Medical, Nursing, Domestic and Administrative Staffs, together with all Voluntary helpers, have also been received through the Ministry of Health.

The shortage of both Nursing and Domestic Staffs has presented many difficulties in dealing efficiently with the demands upon the Infirmary. It has been possible, however, for an increased number of In-patients to be treated, the numbers being as follows:—

	Civilian.	Service.	Total.

The continuance of the arrangement with the Derby Borough Health Committee for the admission of certain cases from the Waiting List into the City Hospital has again proved of the utmost value, and the Board gratefully acknowledges the co-operation given by the Derby Corporation in this matter.

Medical Services.

The members of the Honorary Medical Staff have again rendered valuable service to the Infirmary and the Board desires to record its grateful appreciation for the skilful attention given to the patients.

Mr. John Gray, M.A., M.D., M.Chir., F.R.C.S. Eng., who was appointed Assistant Honorary Surgeon in July, 1940, accepted a position under the War Office in the Far East, and his appointment was terminated in October.

The appointment of a successor is under consideration with the general reorganisation of Medical Services necessary to provide the most efficient service for patients in present-day circumstances.

The Board has pleasure in announcing that in view of organising the Hospital to take advantage of many new and specialised treatments brought about by the development of Medical Science together with an earnest desire to take every possible step to reduce the heavy list of patients awaiting treatment, it was decided to appoint a Medical Superintendent. This position was filled in August by the appointment of Dr. G. R. Osborn, M.B., B.S. (Melb.), and the Board feels that the Governors will wish him every success in this new appointment. Dr. Osborn has acted as Pathologist for some years. He will continue to be in charge of the Pathological Department and with a view to strengthening the Laboratory an Assistant Pathologist, together with experienced Technicians, have been appointed to the Staff in order that the work in the Infirmary and at several other Hospitals for which the Board had pleasure in making arrangements for Pathological services, may be satisfactorily dealt with.

The Board has also pleasure in announcing the appointment of Mr. A. J. Wilson, F.R.C.S., to the position of Resident Surgical

Officer and takes this opportunity of expressing its appreciation of his services which have proved most valuable and satisfactory.

Dr. Elizabeth Ashby, who had been one of the Visiting Anaesthetists since 1922, resigned her appointment on retiring from practice. In wishing her a long and happy retirement, the Board is glad to have this opportunity of expressing its grateful thanks for her services to the Infirmary during many years.

The Board records its deep regret at the passing of Col. A. R. Laurie, who at the time of his death held the positions of Honorary Radiologist, Radium Registrar and Honorary Dermatologist. During the time he held these appointments Col. Laurie rendered most valuable service to the Infirmary and to its patients. Serving in H.M. Forces with distinction, his services were recognised by the bestowal of the Honour of Commander of the Most Excellent Order of the British Empire.

During the past year the Board has given considerable attention to the requirements of the X-Ray Department arising out of the increasing work. With a view to meeting this condition, arrangements have been made for whole-time Radiologists to work in the Infirmary. Their services will be devoted to Infirmary patients, but they will be available to other Hospitals under reasonable arrangements, if required. Considerable thought has also been given to the establishment of a well-equipped Department for Radiotherapy and the Board has pleasure in informing the Governors that the Infirmary is now affiliated to the Radiotherapy Centre at Sheffield as part of the arrangements approved by the National Radium Commission.

Active steps are being taken to provide the necessary staff and equipment and it is hoped that when the arrangements are completed the Department will be fully able to carry out work required to comply with the standard envisaged in the Cancer Act, 1939.

The Board has pleasure in stating that Mr. G. W. Blomfield, M.A., F.R.C.S., M.R.C.O.G., D.M.S., the Director of the Sheffield Radiotherapy Centre, has accepted the appointment of Consulting Radiotherapist to the Infirmary, and the Board is grateful for much help and advice which he has already given.

Under the provisions of the Cancer Act, 1939, the Statutory Authorities for this area are the Derbyshire County Council and the Corporation of the Borough of Derby. With a view to providing the most efficient service at Derby, joint conferences have taken place with representatives of these bodies and it is

hoped that the Infirmary will be recognised as the Centre for treatment of patients in the area, in anticipation of which the close co-operation already arranged with the Sheffield Radiotherapy Centre, with its specially qualified staff, which will always be available to assist the staff at the Infirmary, and in addition will be able to deal with certain types of cases requiring extensive treatment which can only be given at a limited number of Centres possessing very powerful apparatus, of which Sheffield is one.

The position of Honorary Dermatologist has not yet been filled, but the Board have made arrangements for Dr. R. Hallam, of Sheffield, to undertake the duty for the present.

Nursing Staff.

The grateful thanks and appreciation of the Board and the patients are due to the Nursing Staff for loyal and devoted service under the direction of the Matron. Valuable assistance has again been rendered by members of the Civil Nursing Reserve and V.A.D.

During the year 4 Trained Nurses have left the Infirmary to join the Nursing Services of the Armed Forces. 14 members of the Trained Staff have been transferred to Midwifery Service. 31 Nurses have obtained the Final Certificate, and 24 the Preliminary Certificate, in State Examinations.

Miss E. W. Miller, who was trained at the Infirmary from 1933 to 1937, has been honoured by the distinction of the Award of Royal Red Cross in recognition of gallant and distinguished service with the Forces in Burma.

The Board regrets to report that the shortage of candidates for Nursing has resulted in difficulty in meeting the heavy demands upon the services of the Infirmary. In December the position became so acute that it has been necessary to reduce the number of available beds.

The shortage of Domestic Staff is still a matter of serious concern to the Board and it is to be regretted that it has not been possible to maintain the usual high standard of efficiency in this branch of the work.

Income and Expenditure.

The following tables give a Summary of Income and Expenditure for the year together with average costs and comparative figures for the previous year. Fuller details are shown on pages 18 and 19.

The heavy expenditure is due to the increased cost of commodities and equipment, together with the higher rates of wages which have now to be paid to the staff.

The increased Income is due principally to the payments by the Ministry of Health in respect of the Emergency Medical Services having been brought more up-to-date ; also, to the higher payments received from the various Contributory Schemes, nearly all of which have paid not less than the full cost of treatment for their members.

The Board desires to express its warmest thanks to the Derbyshire Hospitals Contributory Association, the Derby Hospitals Saturday Fund ; L.M. & S. Rly. (Derby Centre) Hospital Fund ; Rolls-Royce Hospital Fund Association, together with other Hospital Fund Committees, which have again provided a regular source of Income ; also to the Executive Officers of these Funds for their willing and helpful co-operation.

Special Efforts.

The Board acknowledges the continued valuable support of His Worship the Mayor of Derby ; the Mayoress ; the Comforts and Linen League ; the Derbyshire Needlework Guild ; Congregations of Places of Worship for gifts of money, garden produce, flowers, etc. ; the British Red Cross and St. John Ambulance Brigade ; the County and Borough Police Forces and Special Constabulary ; the National Fire Service and members of the various organisations who have continued to assist by willing service. Most valuable personal service has continued to be given by other voluntary helpers and members of Toc H, to whom the Board desires to record its grateful thanks.

Members of the St. John Ambulance Brigade, Rolls-Royce Ambulance Corps, L.M. & S. Railway Ambulance Corps, Derby Borough Civil Defence Ambulance Service and the Porters and Works' Staff of the Infirmary have continued to give willing assistance in dealing with Convoys of Wounded Service patients and the highest commendation has been given by Ministry of Health officials who have witnessed the reception of these convoys. The Board desires to record its grateful thanks to all these voluntary workers for their sympathetic help on all occasions.

Occupational Therapy.

The thanks of the Board are due to the ladies who kindly undertake the tuition of patients and duties involved by Occupational Therapy. The patients dealt with have derived great benefit from this treatment, which has undoubtedly helped them to make a more rapid recovery and has also provided them with a pleasant relaxation when again restored to health.

Staff.

During the past year the work undertaken by the Staff in all Departments has been exceptionally heavy and the Board warmly appreciates the loyal manner in which all grades have carried out their duties in endeavouring to provide an efficient service whilst working under difficult conditions.

The Board has already expressed the thanks of the Governors due to Mr. Oswald Jackson, The Grange, Quarndon, for his generous gift of £1,500 to the Building Fund to be devoted to the purpose of providing adequate Laboratory accommodation. This will be a most valuable help in supplying a much-needed improvement and the work will be taken in hand as soon as circumstances permit.

In view of the heavy expenditure which will have to be incurred in carrying out extensive repairs and renovations, providing new equipment and replacing obsolete types of appliances, etc., the Board have placed a substantial amount to a Reserve Fund in order that the necessary work may be proceeded with as soon as possible.

Considerable difficulty is still being experienced owing to the inadequacy of the Kitchen accommodation. Plans for reconstruction had been approved in 1939, but the exigencies of War have prevented these being carried out. The position is becoming acute, but every endeavour will be made to improve conditions at the earliest possible moment.

Free Church Chaplain.

The Rev. C. S. Hall, who was appointed Free Church Chaplain in 1941, has resigned on his appointment to another Ministry in Swindon, and the Board records its thanks for the care and attention with which he discharged his duties whilst a member of the Infirmary Staff.

The Rev. A. C. Staniland was appointed Free Church Chaplain and is proving an able successor to the Rev. C. S. Hall.

Sunday Committee.

The Board records with sincere regret the passing of the Venerable Archdeacon Noakes, who had occupied the position of Chairman of the Sunday Committee for forty-five years and whose sympathetic consideration and helpful advice in the work of the Infirmary had been of the utmost value. It is with pleasure that the members of the Sunday Committee have appointed the Venerable Archdeacon FitzHerbert to the vacant position.

Ministry of Health Hospital Survey.

The Board considers it its duty to report that in 1941 the Minister of Health ordered a survey of the Hospital Services in the country. That for the Sheffield and East Midlands Area, in

which this Infirmary is situated, was made by Prof. L. G. Parsons, M.D., F.R.C.P., and Dr. G. E. Godber, D.M., M.R.C.P., D.P.H., and the official report was published during the year.

Commenting on the organisation of the Infirmary the Report calls attention to the necessity for a modernising of certain Departments and stresses the need for the accommodation and equipment for Special Departments.

In connection with this matter the Governors will remember that in the Annual Report from 1938 onwards the Board have had these improvements in mind but it has been impossible, owing to the incidence of War to undertake the work. Even with the cessation of hostilities conditions in respect of materials and labour are such that Contractors are most reluctant to accept the responsibility for the speedy carrying out of work entrusted to them.

In these circumstances the hope can only be expressed that conditions may in due time improve to enable much-needed alterations and extensions to be proceeded with.

General.

The past year has been one of considerable anxiety to the Board of Management, owing to circumstances outside its control. It has not always been possible to obtain the requisite staff in Medical, Surgical, Nursing and Domestic Departments, but it is gratifying to note the record volume of work as shown by the statistical tables included in this Report.

The proposals of the Government with regard to the fore-shadowed National Hospital Service have still to be received and considered. In the meantime the Board will continue to make every effort to provide and maintain an adequate and efficient Hospital service for the patients in the extensive area served by the Infirmary.

The support accorded by the public has been well maintained and the Board feels that it may rely upon this being continued, in order that the work may not be hampered by lack of funds.

The Board feels that it is a most difficult task adequately to thank all those who have so freely given in service, wise counsel and money. It is impossible to make personal reference to all who have helped, but this opportunity is taken to record heartfelt gratitude to all who have sympathetically assisted in enabling the Infirmary to carry out its beneficent work.

The voluntary service accorded to Voluntary Hospitals generally, and the Infirmary in particular, in the past is a source of pride to all who have had the privilege of helping in the work.

If a State service is substituted it may remove the opportunity for voluntary work, which has been enjoyed by all concerned and whose reward has been the satisfaction of knowing their labours have been the means of assisting less fortunate members of the community.

Signed on behalf of the Board of Management,

CECIL INGLEFIELD,

President.

THE DERBYSHIRE ROYAL INFIRMARY COMFORTS AND LINEN LEAGUE.

It is gratifying to record appreciation of the valuable help which the Comforts and Linen League continues to give to the Infirmary.

During the year 59 knitted garments were made by members from wool supplied by the League, and the following purchases made with grants allocated to Matron for the purpose :—

200 pairs	Bed Sheets.
24 doz.	Bath Towels.
12 „	Kitchen Towels.
6 „	Roller Towels.
12 „	Tea Towels.

A further grant of £200 has been received for the purchase of articles which may be required during the coming year.

The subscriptions of members have been well maintained.

The Board of Management warmly appreciates the support which again has been given by the League and expresses its grateful thanks to the Committee, representatives and members.

NOTICE TO PATIENTS.

All **employed** persons are required to be members of the Derbyshire Hospitals Contributory Association or other Scheme affiliated with the British Hospitals Contributory Schemes Association, or a Works or Hospital Fund approved by the Board of Management.

Employed persons and their dependents requiring treatment as In- or Out-patients, must submit vouchers from one or other of the above Contributory Schemes or Funds ; otherwise, fees will be payable under such regulations as may be laid down from time to time by the Board of Management.

Persons who cannot afford to be members of a Contributory Association, Fund or Scheme, will be required to submit a Subscribers' Letter.

Qualifications for Admission.

Except where otherwise provided, the qualification for the admission of In- or Out-patients shall be inability to pay for the treatment required.

The Board shall have power to charge In-patients for maintenance such sums as it may from time to time determine.

Persons who require special hospital treatment and who are in a position to pay for it, may be admitted by permission of the House Committee at such fees and under such regulations as may be laid down from time to time by the Board.

Persons who are suffering from any infectious fever or from delirium tremens, or persons of unsound mind, or afflicted with any disorder deemed incurable, shall not be admitted, or, if inadvertently admitted, shall be discharged forthwith.

All patients must conform to the regulations of the Board, and to the directions of the Medical and Surgical Officers.

The House Committee may discharge any patient for violation of the regulations or directions to which such patient ought to conform, or for misbehaviour in any other respect ; and the House Committee may also discharge any patient who, in its opinion, ought not to remain as an In- or Out-patient.

IN-PATIENTS.

Urgent cases can be admitted at any time by arrangement with the Infirmary. Telephone—DERBY 44255.

Other cases requiring In-patient treatment must attend in the first instance for examination in the Out-patient Department, or, if this is not possible, a short statement of the case should be sent to the Secretary. Arrangements will then be made for subsequent admission.

Friends of patients are admitted to visit them on Tuesdays and Fridays in the afternoon between 2.0 and 4.0 o'clock, and on Sunday afternoon between 2.0 and 3.0 o'clock.

REPORT OF THE TRUSTEES
OF
THE DERBYSHIRE ROYAL INFIRMARY
CONVALESCENT HOME FUND.

(The Edith Adela Strutt Memorial.)

The Trustees have pleasure in submitting the Sixty-eighth Annual Report and Accounts of the Convalescent Home Fund.

Consequent upon the cessation of hostilities, a number of Convalescent Homes will shortly be available for the reception of patients and the activities of the Fund will be resumed.

The Trustees desire to convey their sincere thanks to the Subscribers for the continuance of their valued support.

Signed on behalf of the Trustees.
